Hello,

I am a volunteer at Kubota Garden and it has come to my attention that there are some issues related to the development of a nearby track of land.

Thank you for allowing public comment on Project 3018093 at 9666 51st Ave S. We ask that you please hold a public meeting to review the environmental and land use issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens.

Thank you,
Lori Dugdale
